

Saint Luke Catholic Church

Baptism Dates

You must call our parish secretary, Barbara McDermott, to schedule your baby's baptism. These dates are given to help you plan, but all baptisms must be scheduled by the office.

Baptisms are held after the 11:30 am Sunday Mass (beginning around 12:30 pm). Baptisms may also be held during Mass if you choose—talk with the pastor if you like this option!

If you need another time for your baby's baptism, please call the pastor for available options.

Congratulations!
