

# Math Facts Contract

Name \_\_\_\_\_

Today's Date: \_\_\_\_\_ Due: \_\_\_\_\_

In order to improve our overall math skills, all students are encouraged to study basic math facts (as explained by teacher) for 10 minutes a night, four times a week. Throughout the next two weeks, complete the chart below.

This form will be handed out on Friday and collected 13 days later. The form will also be available on Teacherease as well as on the school website. Second copies will not be handed out. If the form has all required signatures (**eight total**), the student will receive credit (specific details will be explained by the teacher).
