

Envelope Challenge

NCYC Fundraiser

August 20 - September 1, 2023

8/19-20, 8/26-27

Anyone receiving scholarship funding and anyone interested in helping for fun:

Students receiving NCYC scholarship/aid assistance (Plans B + C on Financial Agreement Form) must participate in order to receive funding. Others may also help if inclined to do so.

The St. Luke envelope challenge will be August 19- September 1, and student hosts for the Narthex tables after all Masses on August 19-20 and August 26-27 are needed.

The Challenge Board will be in the Narthex with a series of envelopes labeled 1-500 that represent different donation amounts. Donors select an envelope with the number of their desired gift of \$1-500, put in their donation, and return it. They can also pay immediately at the table. Cash and checks will be accepted, and adult volunteers will have a square to process credit card payments. We will also have a link on our St. Luke webpage.

Please encourage parishioners, family and friends to participate. The beauty of this fundraiser is that because of the levels of giving, anyone can participate. It's important for students to show gratitude for all donations equally, making those who choose to donate \$1 as appreciated as those able to give more.
