“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace”
(1 Peter 4:10)

Catholic Stewardship

As Christian stewards, we receive God’s gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord.

Stewards of the Church

Stewards of God’s gifts are not passive beneficiaries. We cooperate with God in our own redemption and in the redemption of others by collaborating and cooperating in the Church’s mission: the redemptive work of Jesus Christ.

All members of the Church have their own roles to play in carrying out its mission:

- + Parents nurture their children in the light of faith
- + Parishioners work in concrete ways to make their parishes true communities of faith and vibrant sources of service to the larger community
- + All Catholics give generous support — time, money, prayers, and personal service according to their circumstances — to parish and diocesan programs and to the universal Church
